(1) The IDT Energy® SmartFlex rate is the per unit rate that will apply to the first monthly billing cycle only. Thereafter, IDTE's standard variable rates will apply, Rates are only available to new IDTE customers enrolling between 11/1/21 and 11/30/21 unless otherwise specified. This is a variable rate product. The rate for the electricity and/or natural gas supplied will fluctuate at IDTE's discretion based on numerous factors as explained in the Terms & Conditions. IDTE may change the rate without notice and the rate may be higher or lower than the utility's rate in any particular month. There is no cap on the rate. Savings are neither implied nor guaranteed. [2] To take advantage of the "IDTE SmartBudget Locked Rate" program above customers must enroll between 11/1/21 and 11/30/21. This promotion is not available to current IDTE supply customers unless otherwise specified. As an IDTE SmartBudget Rate Guarantee customer, your electricity and/or natural gas supply rate will be guaranteed to remain at the respective rates advore park/hufterm for the initial number of monthly billing cycles indicated. [3] The Renewable(Green) Electricity supply product is matched 100% with renewable energy certificates (RECs). If you choose DTE's Carbon OTset Gas online IDTE will purchase advore parke have 100% of the relevant IDMS. Gas option, IDE will purchase and/or carbon of the standard tool with relevance energy certificates (RCsc), in you drouge IDE's carbon Offset Gas option, IDE will purchase carbon offsets and/or carbon credits to match 100% of your natural gas consumption. [4] These are no termination fees applicable to SmartFlex Variable rate plans. SmartBudget fixed electricity and/or natural gas supply rates will be guaranteed to remain locked for the rate per kWh/therm mentioned above for the monthly billing cycles indicated. There are no termination fees in IL. In MD/DC, OH, NJ, and PA if customer chooses to terminate service prior to the exprisition of the initial term, customer will be obligated to pay an early termination fee of \$10.00 for each monthly billing cycle, or portion thereof, remaining in the Initial Term. In NY the ETF will be no greater than \$100 if the remaining rems less than 12 monthy bining cycles, and \$200 if the remaining term is 12 monthy bining cycles or more. [6] IDTE is not the same entity as your electric delivery company. You are not required to enroll with IDTE. Beginning 10/1/21 the ComEd electric supply prices to compare is \$0.0777 et kWh. The utility electric supply prices will expire on \$37122. ComEd's electric supply price to compare does not include the purchased electricity adjustment factor that may range between +\$0.005 cents and \$0.005 cents per kilowatt hour. For more information go to the Illinois Commerce Commission's free website at www.pluginillinois.org. [7] In NY, IDTE traditional electric and natural gas supply is offered bundled with ineProtect and/or Surge Protection plans provided by Cinch Home Services, Inc. Refer to your Terms & Conditions for details regarding these ograms. [\*]IDTE is not your local utility company. We are an independent energy supplier. You are not required to switch to an dependent supplier.
