

## MARYLAND CONTRACT SUMMARY - Fixed Rate (ETF) Electricity

Electricity Supplier Information	IDT Energy, Inc., 520 Broad Street, Newark, NJ 07102 License Number: IR-1747 1-877-887-6866, contactus@idtenergy.com, www.IDTEnergy.com
Price Structure	The rate will be fixed for the first <b>[insert term]</b> billing cycles and then variable.
Supply Price	The rate for the electricity supplied during the first <b>[insert term]</b> billing cycles will be fixed at <b>[insert rate]</b> per kWh, then you will be charged a variable rate for the remainder of the contract. The variable rate for each upcoming billing period will be made available at least 12 days prior to the close of the current billing period. You can obtain the variable rate for the upcoming billing period by contacting IDT Energy at 1-877-887-6866. There is not a limit on how much the variable price may change from one billing cycle to the next. IDT Energy considers numerous factors when setting its variable rates for electricity including, but not limited to, current conditions on the PJM wholesale electricity market, the cost of obtaining electricity from all sources, capacity costs, settlement costs, costs of ancillary services, hedging costs, balancing costs, line loss costs, costs to comply with any applicable Renewable Portfolio Standards, IDT Energy’s expenses and margins, and all applicable taxes, fees, or assessments.
Statement Regarding Savings	The supply price may not always provide a savings.
